Unit 2 Speech Preparation: Getting Started Assignment

### **Part 1 Brain Storming**

The brainstorming method that I've used is personal inventory. I have highlighted the topics that I'm considering for the future below with the other.

- AI in the classroom
- Role of arts and music education
- Media literacy education
- Public art
- Museums and galleries
- Nanotechnology
- Science and ethics
- Animal-assisted therapy
- Climate change
- Email spam
- Social media
- Political trends
- Rent control

### **Part 2 Specific purpose statement**

- Media literacy education
  1. To inform my audience about the about the benefits of younger children learning media literacy at a young age.
- Climate change
  2. To persuade my audience that climate change is harmful to wildlife and ecosystems by causing disruption in the food chain.
- Social Media
  3. To inform my audience that social media is the key to fostering global connections and cross-cultural understanding.

### **Part 3 Bibliography for Climate Change**

Balle, Linda, director. *Science of Climate Change. Youtube*, Dr. Linda Balle, 2021, [www.youtube.com/12345r](http://www.youtube.com/12345r). Accessed June 2023.

Doe, Jane. "Snow during the Summer?" *Topic Website*, Nov. 2022, [www.tpicwebite.com/article/snowsumer.htm](http://www.tpicwebite.com/article/snowsumer.htm).
