

Unit 1 Project – Early Peoples and Colonial Settlement

Below are the instructions for your Unit 1 Project along with a list of guidelines detailing how to earn a solid grade for your work.

Instructions

Your Unit Project will be creating an infographic which shows how the early colonies succeeded and every factor both past and present that help them.

Review the Unit Project Lesson for step-by-step instructions.

Your Unit Project must include the following:

- The factors that contribute to the success of a colony
- How the colonists interacted with their environment and other indigenous peoples
- Patterns across all of the colonies that led to their success

For any outside research, write down the name of the website or book, and the name of the author, to include in your references.

Remember your infographic should be in your own words.
