

## Essay Requirements

- This essay should be between two and five paragraphs (500--1500 words) in length. Your final draft should be saved and submitted as .doc or .pdf file. It should be in 12--point font in Times New Roman.
- 10% of your grade will be on grammar and mechanics. Write as clearly and correctly as you can. This means that 90% of your grade is based on your ideas - however, you will not earn an A if you do not proofread carefully and check for errors.
- Most importantly, remember this is a culminating project for your Creative Non--Fiction Unit. Your essay should show everything you have learned throughout the unit.
